

Dear Future Pack Walker,

Thank you for your interest in working as a contractor for WagtailWalkers Pet Services!

This company was established in 2010 to provide personal and exceptional service to our clients and their pets. The majority of our work is walking dogs and doing welfare checks where we visit our client's homes and care for their dogs. We allocate work through our pet sitting software, which provides all the details you need to access, walk, care for and/or feed our pack members whilst remaining transparent and accountable to our clients.

Some of the amazing benefits of becoming a WagtailWalkers Staff Walker are:

- Hanging out with dogs all day!
- Work with an award-winning team
- Competitive hourly rate
- Support whenever you need
- Lots of exercise and fresh air!
- Helping those who are less mobile keep their pups happy
- Helping our furry friends have a better life
- Did we say dogs? Lots of cute dogs!!

The dogs in our care must be your **number one priority** and have your complete attention and focus. You must be able to think quickly and see problems before they arise to prevent any issues during the walk. Not all dog owners are responsible, so it is essential that we are!

Here are the key requirements (which we can help you with):

- Must have a smart phone and a reliable vehicle.
- An ABN (or obtain one)
- A current police check (or be willing to obtain one)
- Public Liability Insurance
- Be available for varying hours during the week
- Ok with being outdoors in most weather conditions
- Fit and able to walk lots!
- Can demonstrate an ability and confidence to walk 2 large dogs
- Comfortable handling dogs with reactivity or social anxieties
- Reliability, attention to detail and strong communication skills are a must!

In complete transparency, this work can sometimes feel challenging, tiring, and often sporadic due to its nature, weather conditions and client's needs, but it's our commitment to you to ensure you always feel supported! No two days are ever the same, and the reward is the love and joy you will receive from our pack pups every day.

If you think you are suitable for this role and would like to discuss further, please contact me on 0417466260 during business hours.

We look forward to hearing from you!

Justine (Pack Leader)
